SUBJECT: Comments of the Chief, Records Management Staff, on Proposed
[] Payments for Personal Services by Proprietary
Projects

1. It is recommended that the last sentence in paragraph 4c (page 3) be reworded similar to the following:

However, if total payments should exceed the maximum annual rate for grade GS-15, an annual report shall be submitted through the Deputy Director concerned to the Director of Central Intelligence.

2. Rewording this sentence as suggested will provide for transmitting the reports to the DCI without requiring the preparation of additional correspondence at the appropriate Deputy Director's level.
3. It is further recommended that the requirements for this report state:
 - a. Whether or not a separate report shall be submitted on each case.
 - b. The date the reports are due in the office of the DCI.
